Memoirs of the American Mathematical Society

This journal is devoted entirely to research in pure and applied mathematics.

Subscription information. The 1994 subscription begins with Number 512 and consists of six mailings, each containing one or more numbers. Subscription prices for 1994 are \$353 list, \$282 institutional member. A late charge of 10% of the subscription price will be imposed on orders received from nonmembers after January 1 of the subscription year. Subscribers outside the United States and India must pay a postage surcharge of \$25; subscribers in India must pay a postage surcharge of \$43. Expedited delivery to destinations in North America \$30; elsewhere \$92. Each number may be ordered separately; *please specify number* when ordering an individual number. For prices and titles of recently released numbers, see the New Publications sections of the *Notices of the American Mathematical Society*.

Back number information. For back issues see the *AMS Catalog of Publications*.

Subscriptions and orders should be addressed to the American Mathematical Society, P. O. Box 5904, Boston, MA 02206-5904. *All orders must be accompanied by payment.* Other correspondence should be addressed to Box 6248, Providence, RI 02940-6248.

Copying and reprinting. Individual readers of this publication, and nonprofit libraries acting for them, are permitted to make fair use of the material, such as to copy a chapter for use in teaching or research. Permission is granted to quote brief passages from this publication in reviews, provided the customary acknowledgement of the source is given.

Republication, systematic copying, or multiple reproduction of any material in this publication (including abstracts) is permitted only under license from the American Mathematical Society. Requests for such permission should be addressed to the Manager of Editorial Services, American Mathematical Society, P. O. Box 6248, Providence, RI 02940-6248. Requests can also be made by e-mail to reprint-permission@math.ams.org.

The owner consents to copying beyond that permitted by Sections 107 or 108 of the U.S. Copyright Law, provided that a fee of \$1.00 plus \$.25 per page for each copy be paid directly to the Copyright Clearance Center, Inc., 222 Rosewood Dr., Danvers, MA 01923. When paying this fee please use the code 0065-9266/94 to refer to this publication. This consent does not extend to other kinds of copying, such as copying for general distribution, for advertising or promotion purposes, for creating new collective works, or for resale.

Memoirs of the American Mathematical Society is published bimonthly (each volume consisting usually of more than one number) by the American Mathematical Society at 201 Charles Street, Providence, RI 02904-2213. Second-class postage paid at Providence, Rhode Island. Postmaster: Send address changes to *Memoirs*, American Mathematical Society, P. O. Box 6248, Providence, RI 02940-6248.

Printed in the United States of America.

This volume was printed directly from author-prepared copy.

⊗ The paper used in this book is acid-free and falls within the guidelines established to ensure permanence and durability.

♻ Printed on recycled paper.

TABLE OF CONTENTS

- §0. Introduction, pages 1–2.
- §1. The classification of $(16, 6)$ configurations, pages 3–58.
 - I. The classification of abstract non-degenerate $(16, 6)$ configurations, pages 8–13.
 - II. The $(8, 4)$ configuration, pages 13–26.
 - III. A non-degenerate $(16, 6)$ configuration of points and planes in \mathbb{P}^3 is of type $(*)$, pages 26–31.
 - IV. A non-degenerate $(16, 6)$ configuration in \mathbb{P}^3 is of the form (a, b, c, d) , pages 31–39.
 - V. Moduli of non-degenerate $(16, 6)$ configurations, pages 39–58.
- §2. The classification of Kummer surfaces in \mathbb{P}^3 , pages 59–74.
- §3. Divisors on a Kummer surface and its minimal desingularization, pages 75–83.
- §4. Geometry of a Kummer surface in \mathbb{P}^3 and the associated abelian variety, pages 84–100.
- References, page 101.
