Contents

- 1 **Parallel Algorithms for Dense Linear Algebra Computations**
K.A. Gallivan, R.J.Plemmons, and A.H. Sameh
(Reprinted from SIAM Review, March 1990).

- 83 **Parallel Algorithms for Sparse Linear Systems**
Michael T. Heath, Esmond Ng, and Barry W. Peyton

- 125 **A Bibliography on Parallel and Vector Numerical Algorithms**
James M. Ortega, Robert G. Voigt, and Charles H. Romine
